## MIDDLETON INTEGRATED PRESCHOOL THREE-YEAR OLD OPEN HOUSE AND REGISTRATION 2018/2019

The Middleton Integrated Preschool will host an Open House and Registration for the 2018/2019 school year for children who will turn three years old by August 31, 2018. Open registration will be held from November 16, 2017 to December 18, 2017. Registration forms will be available to download from the Tri-Town School Union website at [www.tritownschoolunion.com](http://www.tritownschoolunion.com) and [www.middletonps.org](http://www.middletonps.org).

The informational Open House will be held on Thursday, November 16, 2017 beginning at 6:00 PM in the Three Year Old Preschool Classroom at the Howe-Manning School. Registration forms will also be available at that time. A \$60.00 registration fee in the form of a check made payable to "Town of Middleton" is required with submission of the completed registration form. This registration fee will be refunded if there are more registrants than there are spots and your child is not selected in the lottery.

If you are unable to attend the Open House, please deliver or mail your registration form and check to Katie Provost, Preschool Programs Coordinator, at the Fuller Meadow School. Applications that arrive after 3:00 p.m. on December 18, 2017 will be put onto a 'wait list'.

Should there be more applicants than there are slots in the program, we will hold a Preschool Lottery on January 10, 2018. Lottery results will be posted after 2:00 p.m. at the Howe Manning and Fuller Meadow Schools by January 12, 2018. Class lists will be published at a later date.

Most of the three-year old children currently enrolled in our three-year old preschool program will continue on to the four-year old program next year, leaving limited space for new four-year old children. Registration for the current three year old preschool children moving into the four-year old program will be held from January 8, 2018 to January 31, 2018. New families may also register for any available space in the four-year old program at this time. If more children apply than there are spaces available, a lottery will be held on February 2, 2018, with priority enrollment given to the current three year old students. New children registering for the four-year old program must be four by August 31, 2018.
