MIDDLETON CONSERVATION COMMITTEE

Town Hall

Middleton, Mass.01949

At a meeting of the Middleton Conservation Committee held at Middleton, Massachusetts on March 12, 1974 a quorum being present, it was VOTED:

To approve, in accordance with Chapter 698 of the Acts of 1967, the purchase by the County of Essex of land for conservation purposes, comprising about 10.02 acres, as shown on a plan by James R. Carlin, County Engineer, dated March 6, 1974, to be filed with deed.

Boston, Mass. 02202

Dear Sir:

On behalf of the Essex County Commissioners, and in accordance with the provisions of Chapter 698 of the Acts of 1967, I am requesting the approval of your department to the acquisition of land in Peabody and Middleton, Mass. by the County of Essex for conservation purposes.

The subject land is shown on the enclosed two plans and comprises about 16.48 acres. I am also enclosing a copy of the concurrence of the Peabody and Middleton Conservation Committees to this acquisition.

If you require any further information, please call me.

Very truly yours,

JAMES R. CARLIN
County Engineer

Dear Mr. Carlin:

In accordance with the provisions of Chapter 698 of the Acts of 1967, I am approving the petition of the Commissioners of Essex County to purchase 16.48 acres of land.

Once again, I wish to commend the Commissioners and yourself for your attitude and farsightedness in the area of conservation.

The land area that you are purchasing, does indeed, need protection and it is very satisfying to me to know that you are working on such a problem.

Sincerely,

Arthur W. Brovitz
Commissioner

Re: Conservation Land
Danvers - Middleton - Peabody

Dear Commissioners:

In continuation of the program adopted by your board in 1969 of acquiring land along the banks of the Ipswich River for conservation pruposes, I am negotiating for the purchase of two parcels of land, one in Danvers and one in Peabody and Middleton, both on the banks of the river.

These proposed acquisitions have been approved by the Conservation Commissions of the three communities involved, and by the Mass. Dept. of Natural Resources (copies enclosed) as required by the General Laws.

The acquisition of these two parcels will make a total of 121 acres of protected watershed areas owned by Essex County in six different communities.

The areas already acquired are mainly along the banks of the Ipswich River which is the primary source of public water supply for communities such as Lynn, Peabody, Salem and Beverly who pump directly from the river and other towns such as Danvers whose well fields are indirectly supplied by the river.

These areas also protect natural growth and wildlife, provide open public areas for such recreational activities as hiking, nature study, fishing and canoeing and provide valuable areas for storage of flood water as well as reducing the danger of polluting the public water supply by landfill operations and septic systems adjacent to the river.

As the next step in this process, I request that you retain Mr. Francis F. Perry, Boxford, Mass., to appraise these two parcels for a fee not to exceed $35.00 per parcel.

Very truly yours,

JAMES R. CARLIN
County Engineer

Dear Frank:

The Commissioners voted today to retain you to appraise two parcels of land as shown on the enclosed two plans at a fee not to exceed $35.00 per parcel.

I would be happy to meet at your convenience to inspect these areas with you on the ground.

I would appreciate it if this could be done as soon as possible.

Very truly yours,

JAMES R. CARLIN
