TOWN OF MIDDLETON
OFFICE OF THE
TREASURER/COLLECTOR

TRANSFER STATION STICKER SALES
Start September 4, 2013
September 2013-August 2014

Transfer Station stickers will be sold at the Tax Collector's Office at Memorial Hall, 48 South Main Street beginning Wednesday, September 4, 2013, for the period September 2013 – August 2014.

Stickers are also available by mail. Submittals via mail should include two completed copies of the application (available at www.townofmiddleton.org), a valid Massachusetts registration for a noncommercial vehicle registered in Middleton, a check or money order for full payment and a self-addressed stamped envelope. Stickers are NOT available at the Transfer Station, Board of Health or Department of Public Works.

In order to purchase a sticker, a resident must provide a valid Massachusetts registration for a noncommercial vehicle registered in Middleton.

The sticker is valid only for the vehicle for which it was issued.

The sticker fee is \$100.00 for the first sticker and \$15.00 for each additional sticker issued to the same family at the same address.

Stickers must be permanently attached to the vehicle's rear window in such a way as to be easily visible to the attendant. If you need to transfer the sticker to a different/new vehicle, remove the sticker from the old vehicle and bring it in to the Tax Collector's Office with the new registration for a free replacement.

The rules which govern Transfer Station sticker sales are based on the Town Rules and Regulations, Town Code Chapter 323-2, and are listed on the following page.

§ 323-2 Stickers.

A. Transfer Station stickers will be sold at the Treasurer-Collector's office at Memorial Hall, South Main Street. Stickers will also be available by mail. They will not be available at the Transfer Station, the Board of Health office or the Department of Public Works office.

B. In order to purchase a sticker, a resident must show a valid Massachusetts registration for a noncommercial vehicle registered in Middleton. Exceptions to this rule may be made at the Treasurer-Collector's discretion.

C. The sticker is only valid for the vehicle for which it was issued.

D. Sharing of a sticker among multiple households is prohibited and is unfair to other taxpayers since the price of the sticker is set to cover the cost of disposing of the trash from a single household. Each unit of a multiunit residential building must purchase a separate sticker. An exception will be made for in-law apartments. If a landlord has agreed to collect the trash from his building as part of the rental agreement, he will be charged an amount which reflects the number of units he is servicing.

E. Stickers must be permanently attached to the passenger-side window in such a way as to be easily visible to the attendant. Stickers may not be taped to the window or laminated and kept in the vehicle. If you need to transfer the sticker to a different vehicle, you must remove the sticker from the old vehicle and bring it and your new registration to the Treasurer-Collector's office for a replacement sticker.

F. The price of the sticker will be set by the Board of Selectmen and will be subject to change as the costs of trash disposal increase. Stickers will be valid for one year or whatever length of time is determined appropriate by the Board of Selectmen.
